IT'S SPRING! TIME TO START CLEANING OUT CLOSETS!!!!

APRIL APRIL APRIL

Collect professional clothing for WOMEN *and* MEN

StriveDC -- CAREER GEAR

It's that time of year again -- time to clean out closets! And again, we will help women and men!!! For the month of April, we will collect gently used professional clothes to help economically challenged men and women in our community as they apply for jobs and join the professional work force. This will be our fifth year collecting for women, and our third year collecting for men.

Bring your donations to the Social Action bins in the Beth El lobby. No hangars are necessary.

Thank you for your continued support of our surrounding community!!!
